UNIVERSITY CREST

THE MACE

TOP SECTION

The valances represent the country's Rukun Negara or National Principles:

1. Belief in God
2. Loyalty to King and Country
3. Supremacy of the Constitution
4. Rule of Law
5. Good Behavior and Morality

Surah Al-Kahf (Paragraph 109): Say (Oh Muhammad): "If the sea were ink for the Words of my Lord, of course, the sea would be exhausted before the Words of my Lord run out, even if we added another ocean like it, for help".

The 14 ivory columns represent all the states and federal territories of Malaysia.

MIDDLE SECTION

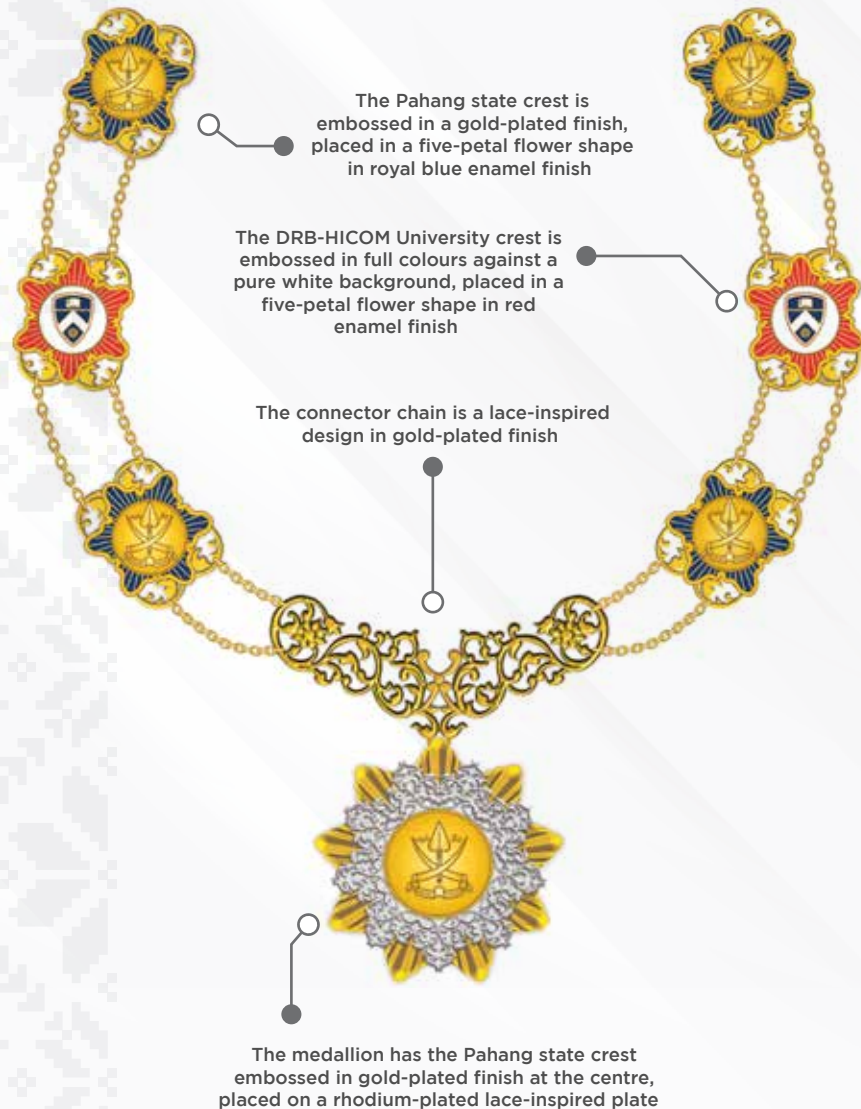

The mace's shaft, carved with the motif of bamboo shoots, is inspired by bamboo shoots of the *Bambusa Vulgaris* and *Phyllostachys Endulis* species which is edible.

The bamboo shoots motif is used to reflect a Malay proverb that describes the nurturing process: "Melentur buluh biarlah dari rebung", which means "when shaping a bamboo tree, begin when it is still a shoot". DRB-HICOM University believes that good values must be nurtured from a young age.
